## **New Website for Military Visitors**

The Capital City/Lake Murray Country Regional Tourism Board (CCLMC) created a new website for military visitors. The site address is [www.militaryactivitiesssc.com](http://www.militaryactivitiesssc.com). The website features things to do in the area, the region's attractions, downtown Columbia, the Three Rivers Greenway, our southern cuisine, Lake Murray and all of the region's accommodations.

"This new website is a stellar new product for the region and for Fort Jackson. We're thrilled to now offer military visitors a tool to navigate the region. Many thanks to Fort Jackson for giving our regional tourism office the opportunity to collaborate on this project," says Miriam Atria, Capital City/Lake Murray Country Regional Tourism office.

The new website was unveiled at a press conference on Fort Jackson on Thursday, October 15<sup>th</sup>. The press conference also featured the unveiling of a new welcome sign and landscaping in which visitors will see when entering the Fort.

Capital City/Lake Murray Country is one of the state's eleven tourism regions promoting tourism in Lexington, Newberry, Richland and Saluda Counties. The Visitors Center is located on Highway 6, 2184 North Lake Drive in Columbia. For more information, visit [lakemurraycountry.com](http://lakemurraycountry.com) or call (803) 781-5940.
